

EZ Flood® Standard

EZ Flood Standard provides property owners with attractive rates and higher coverage limits, and offers you easy rating and underwriting, saving you time and energy.

A simplified option to the NFIP

- Streamlined with only 12 underwriting questions
- No elevation certificate required
- No photographs required
- Accepted by over 1,000 lenders*
- A-rated financial backing
- Competitively priced
- No waiting period**
- Available in all states except AK, DC, HI, and KY
- Available in A Zones only***
- Option for \$5,000 per occurrence in Additional Living Expenses (ALE) along with \$500 in food spoilage coverage
- Option for \$1,000 swimming pool clean-up protection

Up to \$750,000 building and \$200,000 contents coverage

**Designed for single family residential homes – no waiting period when purchased in advance of loan closing transaction.

***Geographic limitations may apply.

Why sell EZ Flood Standard?

Higher limits

EZ Flood Standard's higher limits allow you to offer your clients the coverage they need.

Potential price savings

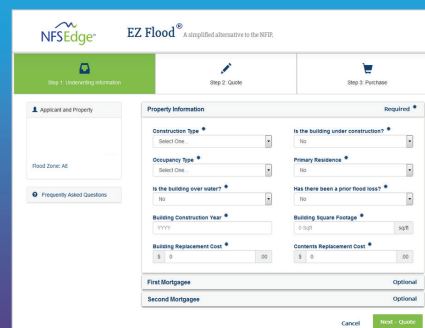

Due to FEMA's rate increases and policy fees, EZ Flood Standard allows you to offer your clients an option that may yield a more attractive premium.

Hassle-free policy issuance

12-question application and immediate issue makes writing flood insurance easier than ever before.

Making it Easy

This property qualifies for **EZ FLOOD®**
Lender-accepted private primary flood insurance

Explore the benefits of **EZ Flood today:**

- Higher limits
- No elevation certificate required
- Save up to 40%
